

### **03. Differences between the inventory information and actual physical items**

Assistant Registrar/ Library Services informed that according to the source from the General Admin Division the discarded items of the Library has been proposed to distribute among the government schools. As such selected schools have been informed by General Admin Division, and they have agreed to accept them. However, under the current lockdown situation in the country, authorities of the schools have failed to get removed them at the right time from the Library premises. However, with the mediation of a few library staff members some items were handed over to a certain school through the General Admin Division. The rest of the items also would be able to hand over to the proposed schools after the current lockdown period.
